Experience captivating lectures, innovative presentations and lively discussions on all aspects of valve technology. Meet experts, industry leaders and visionaries to discover the latest trends. Take this opportunity to gain valuable insights into the industry's focus topics and expand your network.

FREE ADMISSION. HALL 3, STAND C16

VALVE WORLD CONFERENCE

VALVE WORLD EXPO FORUM

DAY 1 / 03.12.2024

11.30–16.30

Lecture series of the trade magazine IAD – Industriearmaturen & Dichtungstechnik, Vulkan Verlag.

Select experts will report on trend topics in the valve and sealing industry. Including hydrogen, smart valves, predictive maintenance, automation, PFAS and much more. Please note: Simultaneous translation of the presentations will be available live in English on the forum floor.

DAY 2 / 04.12.2024

11.30–13.00

Lecture series of the trade magazine 'IAD - Industriearmaturen & Dichtungstechnik', Vulkan Verlag.

Continuation of the Day 1 programme.

FROM 13.00

Presentation of the Valve Star Awards as the highlight of the VALVE WORLD EXPO. The IAD readership honours the best product of 2024 in the categories "Valves", "Actuators", "Seals" and "Automation".

14.00–16.30

VALVE WORLD EXPO Forum, KCI. As an extension of the VALVE WORLD CONFERENCE, the forum covers a wide range of valve technology topics and issues. These include key topics such as the energy transition, digitalisation and standardisation.

The KCI programme will be held entirely in English.

DAY 3 / 05.12.2024

10.00–15.30

VALVE WORLD EXPO Forum, KCI. Continuation of the Day 2 programme. The KCI programme will be held entirely in English.

ORGANISED BY COMMUNICATIONS EXPERT KCI

Innovation, industry insights, workshops, panels, programme for young engineers, live demonstrations and much more.
